"I Remember Mama" Delivering Plants to Seniors on Mother's Day May 10

MONTEREY - As we celebrate Mother's Day what better way to appreciate our families than to visit someone who is without their families or friends on this day.

Not only will you be giving to our community through service, but you can teach our children, through example, the importance of volunteerism.

This year's "I Remember Mama" project is again welcoming volunteers to deliver flowering plants on Mother's Day to local senior women living in long-term care facilities (i.e. nursing homes and board and care homes).

Children are especially welcomed and encouraged.

Imagine living in a nursing home and having a smiling family take time out of their Mother's Day celebration in order to deliver you a plant.

The seniors are truly thankful for the volunteers who make their Mother's Day memorable. Many of these seniors have no family members who can visit on a regular basis.

Three ways to volunteer or assist:

1.) To Volunteer: call by Friday, May 8, to OMBUDSMAN "OmBUDDIES" Project Coordinator Mary Ellen Okelberry in Monterey at (408) 333-1300, or call the Salinas OMBUDSMAN branch at (408) 758-4011. Your gift of time will bring an everlasting joy.

2.) To Donate: If you can't volunteer, but would like to help, donations for the purchasing of plants may be made payable to: OMBUDSMAN. Send to OMBUDSMAN/OmBUDDIES, 2200 Garden Road, Monterey, CA 93940.

3.) Know a Senior: If you know of a senior living in a long-term care facility and would like her to receive a plant, give OMBUDSMAN a call at (408) 333-1300.

Federally mandated nation wide, nonprofit advocate programs, such as Monterey's OMBUDSMAN for Long-Term Care, are in place to investigate alleged abuses of seniors.

Monterey's ombudsman serves about 2,500 seniors who live locally in long-term care facilities.

Military Appreciation Barbecue: DLI volunteers invited May 15

Respond by May 12

MONTEREY - The YMCA of the Monterey Peninsula is sponsoring a Military Appreciation Barbecue to thank the men and women who volunteered their time to help the YMCA in the following events: the AT&T National Pro-Am, SCRAMP, The Concourse de Elegance and the many YMCA sports and children's programs we sponsor.

The YMCA is sponsoring this event during Military Appreciation Week to show its gratitude for the many volunteer hours the military in our community has devoted to the YMCA.

The event will include an evening of FREE barbecue food, soft drinks and entertainment (to include the Contra Dancers - English country line dancing - and a live band in the gymnasium).

RSVP: Respond by May 12 so the cooks can plan on how much food will be needed for the barbecue.

Location: YMCA, 600 Camino El Estero, Monterey (across from Lake El Estero).

Call 373-4167: ask for Jean-Marie at the Monterey YMCA. (Note: call by Tuesday, May 12 with the number of people who plan).

Motorcycle Poker Run All motorcyclists welcome May 16

MONTEREY - Ride a motorcycle? Want to ride with others, meet local riders while gaining motorcycle education and safety skills?

One of several annual events sponsored locally by the local American Brotherhood Aimed Towards Education #35 (or ABATE #35) is the upcoming "Poker Run" motorcycle competition. Start point is in Monterey.

Registration/sign is from 9 a.m. to 11 a.m. at the American Legion Post #41 located at 1089 Jefferson Street. Bring a \$10 donation (for the 1:30 p.m. barbecue).

The event includes a raffle. For more information, call (408) 375-7867.

NEWS

Adopt-a-Pet Update from the Post Veterinarian

Adoptable dogs and cats are available at the Veterinarian Clinic, Building 4380, Parker Flats Road, POM Annex. All the pets need a good home and loving care. Costs is \$27 for cats and \$29 for dogs. The fees include rabies and booster shots. For more information, visit the Veterinarian Clinic, or call 242-7718.

Pets available for adoption as of March 26:
none until April 3 - pending return to owners
(animals currently found): DOGS: female Chihuahua, male Shepherd Husky mix, female Shepherd Husky mix, female Shepherd/Terrier mix; CATS: none).

(From the DLI/POM
Alcohol/Drug Abuse Prevention
& Control Program)

April is Alcohol Awareness Month

Here's how the U.S. compares with other countries for Driving Under the Influence (DUI) penalties

- In Poland a DUI penalty is jail time, fines and requirement to attend political lectures
- In Australia the name of the drunk driver is printed in the local newspaper
- In Russia a drunk driver's license is revoked for — life
- In El Salvador the penalty is — execution

Of all auto fatalities, 35 percent are alcohol related.

Only 15 states have a "per se" law for legal blood alcohol level of .08 — these states are: Florida, Hawaii, Indiana, Illinois, Kansas, Maine, New Hampshire, New Mexico, North Carolina, Oregon, Utah, Vermont, and Virginia.

Civilian spouses attending DLI classes now authorized to use dining facilities

POM - Civilian students who are taking classes at DLI are now authorized to subsist in the dining facilities on the Presidio. They are issued meal cards and pay full food cost for the meal being subsisted. Civilian spouses/students who have not yet received meal cards should contact the S-4 Office, 229th Military Intelligence Battalion at 242-5498, or visit Building 622, POM.

*Here's a tip for
positive parenting:*

Sibling Rivalry

Parents, a lot of brother-sister fighting happens because children just want some personal attention from you. Spending some time each day, maybe even just 10 minutes alone with each child, can greatly reduce the amount of fighting in your home. You see, if your children can count on having some time alone with you each day they will compete less with each other to get your attention. For other parenting tips call ACS, Family Advocacy Program at 242-7653.

Army Community Service Classes

(Building 4260, POM Annex)

242-7653 or 242-7659

Active Parenting on Tuesdays

Active Parenting classes are held on Tuesday mornings, from 9 to 11 a.m., at the General Stilwell Community Center, POM Annex. Free child care is provided. Interested parents can register by calling ACS.

Mom Time on Wednesdays

Do you ever feel that being a mother is a lonely job? You're not the only one! Why not join Mom Time and get together with other parents while your children play. Finding time to meet with other mothers is one of the best things you can do for yourself and your child. MomTime is open to all moms of children birth to three years of age. The group meets on Wednesdays, from 10 to 11 a.m. at the General Stilwell Community Center.

Army Personnel Tests

The POM Education Center offers four Army Personnel Tests (APT). They are authorized by the Company Commander's signature on a DA Form 4187. No retests are allowed within the six months following the initial test.

1. Alternate Flight Aptitude Selection Test (AFAST) -- evaluates enlisted candidates for MOS 93B and warrant officers and officers applying for admission to the Army Flight program. If a qualifying score is obtained on the first test, no further testing is permitted. One retest is permitted.

2. Armed Forces Classification Test (AFCT) -- reevaluates in-service personnel who wish to improve their initial scores in order to qualify for reenlistment, a MOS change, Warrant Officer training, OCS, or ROTC.

3. Army Analysis Aptitude Test (AAAT) -- evaluates specific abilities necessary to successfully complete formal training in radio communication and security areas (MOS 98C).

4. Typing and Dictation -- tests evaluate typing and dictation speed to qualify for MOS's or service school courses requiring those skills. The current test must be taken on a manual or electric typewriter, even though one may be using a computer at work. Replace-

ment with a computerized test is not imminent.

VEAP Conversion to Montgomery (New) GI Bill Results

The opportunity for active duty VEAP participants to enroll in the MGIB expired on Oct. 8. The Army used DA Messages, notices on selected leave and earnings statements during the period of February to September 1997, Western Union-type telegrams, articles in the Army Times, bi-monthly notices in this newsletter and briefings for all POM units to alert everyone to this opportunity. Of 21,707 eligible soldiers DA wide, 47 percent (10,223) made the conversion, 2.5 percent (550) chose not to convert and 50 percent did not respond and forfeited to opportunity. Thousands of soldiers were not eligible because they had withdrawn their money from their VEAP accounts before October 1996. The Department of Defense has initiated an amendment which would include those individuals with zero balances on Oct. 9, 1996; however due to cost considerations, the passage of this amendment is not good. Your Education Center remains your primary source for information concerning this amendment as well as information about education benefits in general.

Upcoming Test Dates

April 2 ACT PEP
April 6 GRE
April 9 CLEP
May 4 PRAXIS

All of the listed tests are administered free to first time military examinees. Early registration is advised.

MPC/DLI Late Spring Registration Now until Apr. 3

It's still possible for DLI students to enroll for any of a half dozen different MPC courses running Mar. 30 to Jun. 2. All six classes are very DLI user friendly and Tuition Assistance brings the expense of one semester hour of credit down to just \$3.25 for the service member. The classes in Foreign Language Work Experience, Independent Physical Fitness Program, Introduction to Marketing, Child and Adult Development, Sociology 1, and Anthropology all allow DLI students to fulfill all course requirements without leaving the Presidio. Enrollment and Tuition forms are available at the POM Education Center. Weekly briefings, describing the details and requirements of the MPC/DLI AA degree program, are held every Tuesday afternoon from 4 to 5 p.m. at the Weckerling Center.

“I am deeply troubled that, on average, one soldier dies every three days in a privately owned vehicle (POV) accident. Thus far in fiscal year 98, 53 soldiers have perished in pov accidents. This is a 71 percent increase over the previous year, an alarming and unacceptable trend.”

-- General Reimer

April is Alcohol Awareness Month

- The causes of these accidents are not new or different: speeding, alcohol, fatigue, and carelessness. Use of seat belts in many of these accidents could have saved soldiers' lives.

- Your involvement is paramount in gaining control of this situation, influencing how our soldiers operate their POVs, and stopping this tragic and needless loss of life. Positive, hands-on leadership at all levels is imperative, particularly at the squad leader or first-line supervisor level.

- The director of Army safety has developed a model POV safety program. I am directing that this six point program be used in every unit. It is the minimum standard. The model POV safety program requires:

- a. Command emphasis:* Positive leadership at all levels is imperative. Leader emphasis on POV safety must be unrelenting. Our junior officers and non-commissioned officers see their soldiers every day. They should know where their soldiers go, what they do, and then assert positive influence on how, when, and where they operate their POVs.

- b. Discipline:* Our junior leaders work with their soldiers daily and know them well. Soldiers sometimes telegraph signals that translate later into accidents. Negative behavior such as traffic offenses, alcohol abuse, misconduct, and poor performance often are indicators of potential POV accident victims. identify “at risk” soldiers; counsel them; take proactive measures to modify their risky behavior.

- c. Risk management:* Use risk management. Identify hazards associated with pov operations; assess the hazards; make decisions to control them; implement the controls; and supervise execution. The director of army safety has prepared a POV risk management toolbox for commanders and leaders. This toolbox provides a comprehensive set of tools and controls that have proved successful throughout our Army. The toolbox is available at <http://safety.army.mil>. Use it. Make it available to leaders at all levels.

- d. Standards:* set high and unmistakable standards. Enforce them. Follow Army regulatory traffic standards. Be uncompromising on the use of seatbelts and motorcycle safety equipment. Educate soldiers on the risks of speed, fatigue and use of alcohol. Conduct mandatory pov safety inspections and random roadside checks. Emphasize the use of designated drivers for social events.

- e. Provide alternatives:* provide alternatives for soldiers to driving poves. Schedule activities on post to keep soldiers on post and off the road. Keep gyms, recreation centers and other places soldiers use off-duty open later. These same measures also can provide alternatives to alcohol use. Look for transportation alternatives as well. Promote use of alternate transportation methods to POV use. Prominently post public transportation schedules. Where possible, use morale, welfare, and recreation (MWR) services to provide buses or vans to transport soldiers to the places they go when off-duty. Arrange reduced hotel rates in nearby communities to encourage soldiers to remain overnight on weekends and stay off the highways late at night.

- f. Commander's assessment:* following every fatal and serious injury pov accident, commanders will conduct an assessment of the accident with the involved soldier's chain of command. Determine what happened, why it happened, and how it could have been prevented. Implement corrective and preventive measures. Publicize lessons learned.

- I have tasked the Director of Army Safety to visit major installations beginning in late March and brief leaders on the model POV safety program. You will receive coordinating instructions about this briefing in a subsequent message.

- I want every army leader to clearly understand the depth of my determination to end these tragic and needless POV fatalities. I cannot accept the current POV fatality trend we are experiencing. Direct, positive, hands-on leadership will make a difference. This is leaders' business at every level of our army.

● Soldiers are our credential.
